

Additive Manufacturing Facility Qualification

In accordance with the requirements of the LR-TWI 'Guidance notes for Additive Manufacturing certification' (April 2020)

This is to certify that:

Wipro 3D,
A Division of Wipro Enterprises Pvt Ltd.
Peenya Industrial Area, Bangalore 560058, India

has been assessed against the requirements for additive manufacturing facilities and conforms to the requirements for the equipment and processes described below:

Design data development & control
Reception, storage & handling of feedstock
Additive manufacturing process & build control

incorporating the equipment below:

EOS Models AM280, AM290, AM400 (Powder Bed Fusion)

utilising the following feedstocks:

**Titanium Alloys, Aluminium Alloys, Cobalt Chrome Alloys,
Nickel Alloys, Stainless Steels**

when performing Additive Consulting, Design, Production and Research & Development services

"This Qualification relates only to the facility stated above; it is not valid for equipment, feedstock materials or operators which have been varied from those included within the qualification scope (see Facility Audit Reports PRJ11100224939 and PRJ11100287350 for full details). Approval is subject to the continued maintenance of the quality system in accordance with the requirements of the Guidance Notes referred to above and associated inspection procedures."

Lloyd's Register shall be notified of any modification or changes to the equipment in order to obtain a valid qualification. Furthermore, any materials or components produced at this facility shall be subject to the appropriate certification activities."

Certificate No: **PRJ11100224939**

Original Approval: **05 November 2019**

Current Certificate: **15 December 2020**

Certificate Expiry: **04 November 2022**
